Don't be scared, I'm alright .....

UWAAAA AAAAAH!!

Will you not withdraw the soldiers from here?

Gwen.....

Even though there is sacrifice

I cannot...

I think this is wrong

I want this continent to be one again

I want to put an end to the war...

The peace you grasp, will not last...

As long as you people try to get peace at the others expense

Even...

Even if it was just a small sacrifice.....

Also called the spark of a new battle

Only sorrow and widening of those who become victims

You hesitated to attack when this child appeared...

Gwen

.....

But... Someone..!!

Such a thing I knew from the beginning!!

This dirty war wont end until someone gets their hands dirty!!

Perhaps .....

This child's father, now, is fighting on the front line

I've never pointed a blade at people with no power

You might say that misfortune came upon this child...

If anything should happen to the father on the battlefield ...

Pointing a blade at soldiers at the front .....

Gwen .....

"!"

.....

Uh……

May point these children towards a blade

My stance will not change

I've seen a lot of such children

Those children have a hard life now

The hatred and sorrow will cause a new fight once again!!

Don't increase such children!!

Then how .....!!

What can stop this stupid war!!

Then what should I do

ANSWER!!

Should I just fold my arms and do nothing?!!

Answer... .....

Kimaira warrior

I do not know.....

That.....

Pursuing them isn't necessary!!

Don't pursue them too far!!

Entire army withdrawal!!

Though, hell, what was that chariot ...

Were there any further suprises other than the chariot...

I thought that there was little military power to attack here ...

Taki!! Where are you going!?

There strategy being a failure

After all Lynn is...

Taki!!

ヒュウ

Once more, can you tell me your name?

Kimaira warrior

Let me hear an answer when we next encounter each other

We withdraw the soldiers in consideration for the children this time

If by then you don't find an answer to this climate in that time...

Lynn...

ヒュン

Yes...

Kimaira warrior Lynn

At that time, I'll show no mercy

ダダダ

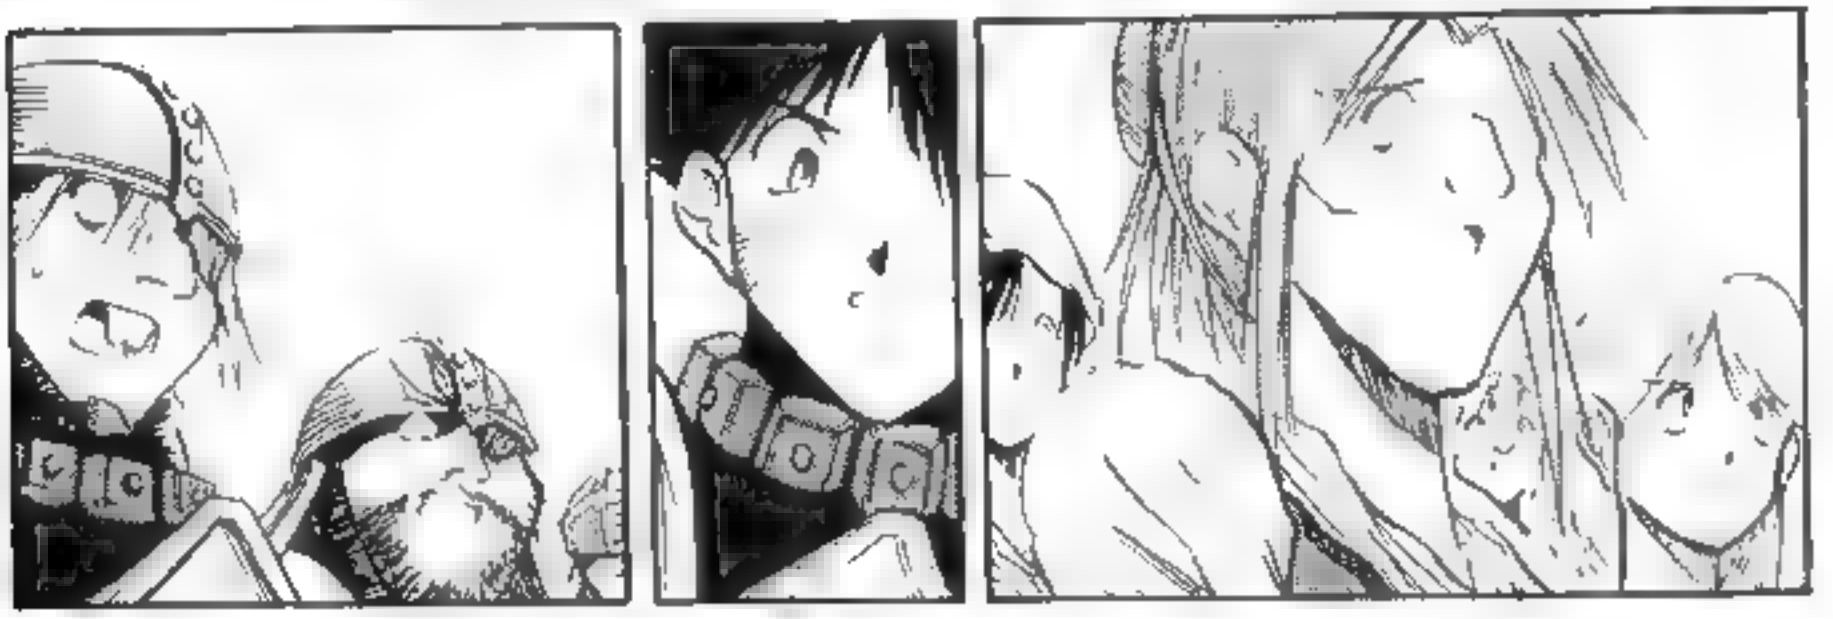
I have hidden it from you all so far

Everyone please listen

Therefore, I can live alone from now on

I am...

For a while, it might be painful



I'll be alright, surely I'll get used to it soon

私は一人でも

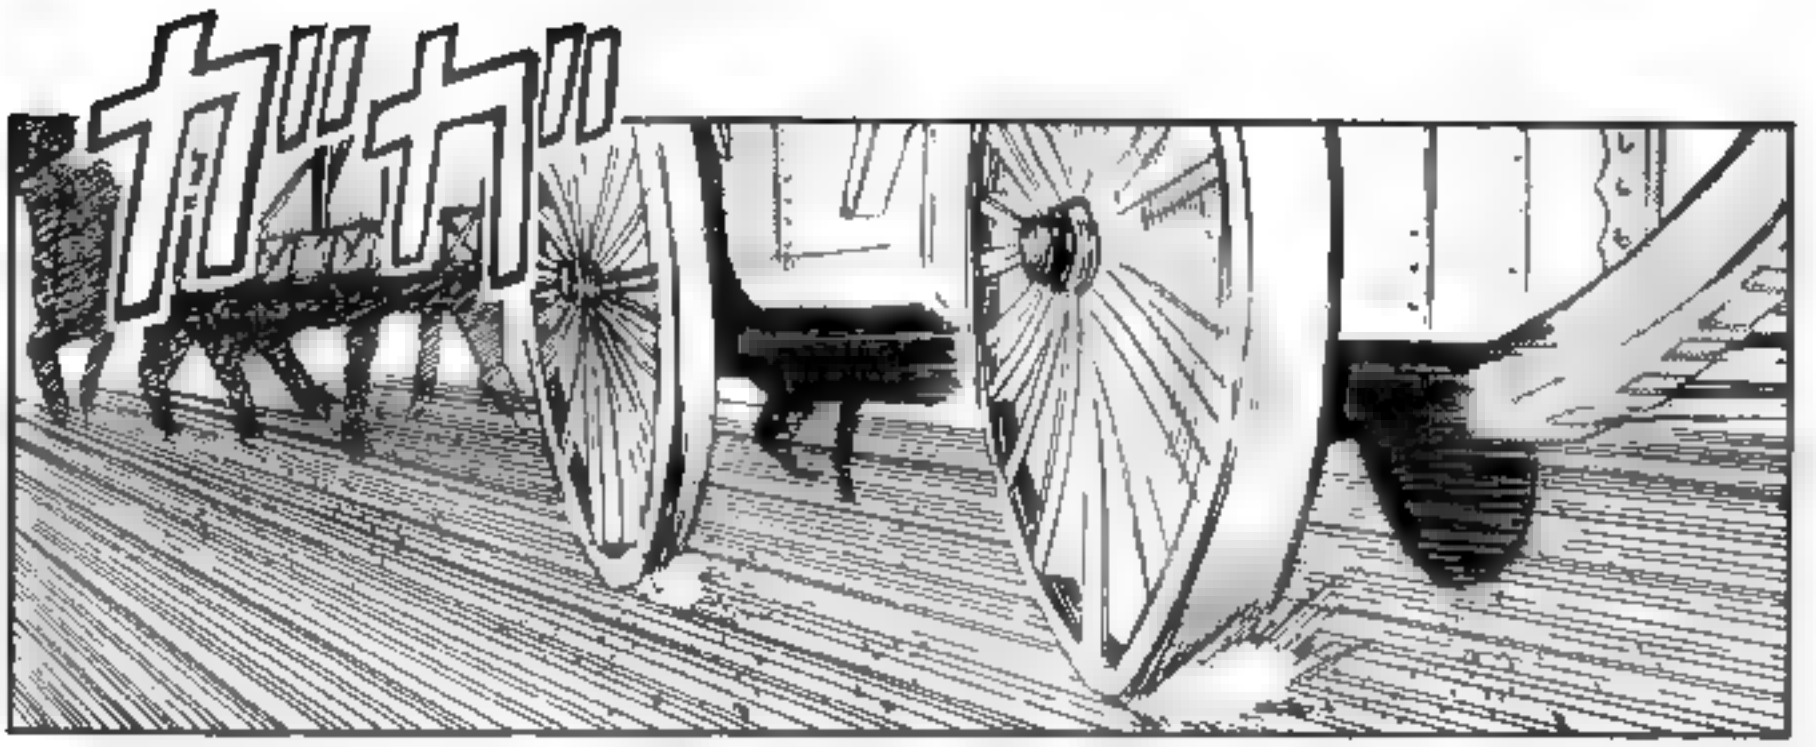
SHEET



1

It seems you were able to escape
So in the end you guys...

That kimaira couldn't be called a berserker of murderous nature as originally assumed
However I don't understand

Somehow or other, the vital organs were missed by a hairs breadth
Yeah

I don't know
The mere one thing I can say is...

That Chaos War hell...
Assuming that it is not their true nature...

That's it...

I want to fight as a warrior and who once again...

I don't degrade!!

Do you think I would despise this girl and spit in the face of evil!?

Hence I was wrong!!

I was wrong!! Granny!!

Taki!!

How dare you remain silent until now!!

Even if the family and hometowns are different, when they see that girl, that person, will surely understand...

But I wonder..

That's how I feel it is

Yeah

I feel the same way
